Letter of Recommendation

It gives me a great pleasure to write this recommendation letter in favor of Mr. Mulugeta Haile whom I have come to know for the past few years as a student while he was pursuing his undergraduate study under Department of Computer Engineering in the Faculty of Electrical and Computer Engineering at Aksum University. I have taught and advised him and witnessed tremendous development in his theoretical and technical performance.

Mr. Mulugeta Haile has conducted a number of mini-projects and experiments including final year project and internship project, which really proved his research capability, performance in solving problems and his devotion to his work by managing his time and collaboratively working in a team with good behavioral manner. Regarding his qualities, I am sure that he will be able to follow further studies to enhance his abilities and performance in a given task.

So, given his high curiosity to learn and develop himself always, I strongly recommend and will appreciate your assistance to his application. In case you need any further information about this promising young man, please feel free to contact me any time on the address below.

Sincerely yours,

Zelealem Hagos (M.Sc)

Letter of Recommendation

Mr. Mulugeta Haile has been one of my students in Electrical and Computer Engineering of Aksum University in the time period of 2018-2021. His performance in the courses I taught him had been very good. He has high interest and devotion in the subject and high understanding that reflects his curiosity and intelligence. He also has a very good academic record.

Mr. Mulugeta Haile has an excellent personality and pleasing manners. He also had good interaction with his instructors and his fellow classmates. As far as my knowledge goes he is honest and hardworking student. I am sure that he has the ability and interest for higher studies in computer engineering or other related fields in electrical and computer engineering.

Mr. Mulugeta Haile does not have any personality problem and get along well with his teachers and classmates. I wish him success in his future career.

With best regards,
